

## **Real Estate Financial Analyst**

Job Type

Full-time

### **Description**

Full-service, commercial real estate firm that delivers highly specialized Asset Management Services and focuses primarily on Manufactured Housing and Self-Storage. We own and operate over 75 properties across 22 states. We are seeking innovative, passionate, and motivated individuals looking for an opportunity to join a fast-growing organization with tremendous professional growth opportunities.

#### **POSITION PURPOSE:**

The Real Estate Financial Analyst will have the opportunity to interact regularly with multiple departments and learn all aspects of the Company. In this role you will have the opportunity to assist and learn alongside the VP of Finance on budgets, forecasts and analysis of financial drivers and data that provide insight on business and financial trends and provide variance analysis to assist in driving the business forward. The Real Estate Financial Analyst will aid in creating and managing financial models, producing PowerPoint presentations to present insights and results, and give opinions to management based on findings. The Real Estate Financial Analyst will provide support on monitoring financial variances, assist in the forecasting and budgeting process, and aid in monthly, quarterly, and annual financial reporting packages to lenders. Other responsibilities include leading the Company's analytical efforts related to development, redevelopment and acquisition underwriting, transaction execution and investment memorandums.

\*\*\*THIS IS NOT A REMOTE (WORK FROM HOME) POSITION. THIS IS AN IN-PERSON POSITION IN OUR SUMMERLIN, NV OFFICE\*\*\*
